7 Borough and County Member Reports

The Chairman, in his capacity as County Councillor, reported upon an email he had received from the Principal Transport Officer at HCC in relation to complaints received from parents about the timing of the morning journey C1 to Thornden School. As a result of his investigations, he had decided to re-time the morning to journey to operate 15 minutes earlier and this came into operation on 5 May.

He also reported that Mildren Construction had been appointed to undertake the construction of the new bridge and associated pedestrian and cycle facilities at Baddesley Road. They would be establishing themselves at the site soon for about 5 months. Baddesley Road would need to be closed to enable the bridge to be lifted into position and it was

expected that this would take place over a weekend in early August.
