33 Borough and County Member Reports

In Councillor Dowden's absence the Clerk reported that a number of residents had contacted Councillor Dowden, in his capacity as County Councillor, regarding the lack of fencing at Flexford Nature Reserve along the railway line up to Flexford Bridge and that as a result animals had been getting onto the track. Residents had been in touch with Network Rail but had not received a response. The Chairman subsequently contacted Network Rail and following a site meeting they had agreed to install a mesh fence at this location.

Councillor Mrs Tilling advised members that TVBC had now delayed the public meetings in regard to the finalisation of the Local Plan. She also advised that she was sitting on a task and finish panel which was looking into concessionary travel issues. The panel needed to know the demand for concessionary travel and what the take up was. She asked members if they had any ideas on this.
