Independent living with complete peace of mind for people over 55

NEW HOMES WITH EXTRA CARE AVAILABLE

Independent living with peace of mind.

We are delighted to offer 1 and 2 bedroom apartments with extra care for people who are over 55 and need help with looking after themselves. Application for these homes is through Hampshire Home Choice.

Nightingale Lodge, is located in the popular market town of Romsey. With local bus stops in reach, there is easy access to the town's markets, restaurants, cafés and shops.

Close by there is a local doctors' surgery, pharmacy and if needed the local hospital. These newly developed homes are for people who already have care and support needs and wish to be supported in their own home.

What is extra care?

Extra care is designed for people who need some extra help looking after themselves, whilst continuing to live independently in their own home. It provides reassurance with on-site care and support teams available 24 hours a day, 7 days a week to deliver planned care and support and respond to emergencies. Peace of mind for any emergency. Extra care can help keep you living independently for longer. Safe and secure, your own front door, with all the help you need.

You'll love our apartments packed with stylish features

Your home at Nightingale Lodge is contemporary in look and feel. Designed to build a friendly, supportive and safe community for people who want to live independently with the support they need.

Our apartments are fully accessible, with lifts to all floors, and are centred around beautiful communal gardens. Each apartment will have its own private balcony or outside terrace to enjoy the sunnier days and take in the fresh air.

- Bright and light throughout — neutral carpets and paint finish
